CERT Animal Response I

The CERT supplemental module on Animal Response I is the first of two modules that make up the CERT Animal Response training. CERT supplemental training builds on the CERT Basic Training course and is intended for CERT members who have completed the basic training. Animal Response I will teach CERT members emergency preparedness for animal owners and how to recognize specific animal behaviors.

CERT Animal Response II

The CERT supplemental module on Animal Response II is the second of two modules that make up the CERT Animal Response training. CERT supplemental training builds on the CERT Basic Training course and is intended for CERT members who have completed the basic training. Animal Response II will prepare CERT members for situations involving animals that they may encounter in performing their broader CERT response functions.

**Special thanks to Kathy Snell and Mary Whitlock
Volunteer Veterinarian trainers for these classes.**
