

# September is National Preparedness Month

## Cascadia Earthquake Neighborhood Tabletop Exercise

**September 6th, 2017**  
**6:30 - 8:30 pm**

1705 W 2nd Avenue, Eugene OR 97402

### The Eugene Springfield CERT Program will be hosting a Cascadia Tabletop Exercise

During this exercise we will walk neighborhood teams through a discussion-based earthquake scenario. Participating in this exercise will help neighborhoods identify what needs to be focused on in your planning efforts at the neighborhood level.

Neighborhoods with teams are encouraged to attend and we will form exercise teams for those individuals looking for more information on team building and response coordination.
