

**Volunteer Opportunity to Partner with EWEB**  
**WE NEED LOTS OF VOLUNTEERS: May 1<sup>st</sup> through May 4<sup>th</sup>**

Drinking Water Week is May 1<sup>st</sup> – 7<sup>th</sup>. Each year, public and private sector groups come together to help educate the public, and help to develop a greater understanding of water quality and the importance of safe, reliable drinking water.

As in the past, Eugene Water and Electric Board (EWEB) is participating by, among other things, offering purchase of 3 gallon water storage containers. The orders have been taken, and the water bottles are on their way.

EWEB and CERTs frequently work in conjunction with each other at various events to promote disaster preparedness. You can help EWEB help our community by volunteering to help prepare the water bottles for distribution, and by helping with the actual distribution.

EWEB can't do it without volunteers, and they are asking for our help.
